Title: Clinical learning experiences of University male student nurses during their placement in a clinical setting.

The study has been described to me in language that I understand and I freely and voluntarily agree to participate. My questions about the study have been answered. I understand that my identity will not be disclosed and that I may withdraw from the study without giving a reason at any time and this will not negatively affect me in any way. I agree to be taped-recorded during my participation in the study. I also agree not to disclose any information that was discussed during the focus group discussion.

Title of Research Project: Clinical learning experiences of University male student nurses during their placement in a clinical setting.

Question:

Please tell me about your clinical learning experiences as a male during placement in the clinical setting?

The probing questions:

What do you mean?

Tell me more about that?

Why?

How did you feel as a male student?
